7 March 2022

Dear Heads of Contingents,

Greetings from SaeManGeum, Korea!

We appreciate your considerable efforts for preparations to join the 25th World Scout Jamboree.

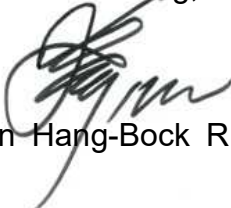

As announced at the beginning of the year, we were encouraged that 159 NSOs submitted their Contingent Registration as of 31 December 2021. With the Scouting spirit of solidarity and inclusion, we have now decided to provide another opportunity to complete the registration for the 13 remaining NSOs who did not yet register their Contingents. These NSOs can register their Contingent by 31 March 2022 and can reach out to us directly or contact their respective Regional Support Centre for any assistance required.

While we see positive signs and brighter days ahead, we want to provide adequate time for NSOs to prepare their Contingents. There are various factors to consider during our Jamboree preparations and with due consultation with the World Scout Bureau, we have decided to further extend the deposit payment schedule and registration for Operation-K, in order to give more time for Contingents to register and prepare.

Please note that the issuance of invoice for deposits will be announced in early April 2022, allowing time for all 172 NSOs to register, along with guidance on Operation-K and the dates for the second Heads of Contingent meeting.

We appreciate all your efforts so far and trust you will understand our decision in the Scouting spirit.

Yours in Scouting,

Simon Hang-Bock RHEE
