I .Food Update

1. K-Food Day

We have designated 2 August as “K-Food Day” so that Scouts from around the world can taste and enjoy Korean Food. Scouts (if they want) can choose our recommended menu for this day’s dinner.

For this special event, we recommend to cook and eat one of Korea’s most favorite comfort food known as “Topokki”, or simmered rice cake. Please choose among the three Topokki menu options below to experience this.

- Menu Number(Dinner) : G49. Topokki / V88. Vegan TOPOKKI GUOBAOROU / H75. Halal TOPOKKI

2. Big Dinner

As you are aware, there will be a special event on 8 August known as the “Big Dinner”. To give a wider options for participants to choose and enjoy the Big Dinner, we have added two more options in the ordering system. Kindly check the food ordering system for more details.

- Menu Number(Dinner) : Big Dinner A / Big Dinner B

3. Menu Change

Please be informed that menu number 33 has been changed to a “Military Set” (formerly it's a Carbohydrate-Protein-Vegetable SET). For those who has already chosen this menu, please make the necessary changes. We have attached the updated cookbook for your reference.

4. Deadline for Food Order

Please be reminded of the **DEADLINE** for the food ordering system which is on **Friday, 30 June**. Any food order changes that you would like to make can only be done by this date.

The recommended menu will be provided if your contingent did not place any food order. You can check the recommended menu in the system.

II . Further Update Method

Since time is of the essence already until the 25WSJ, we decided to share the information needed in a different format - [google docs](#). This way, everyone can have faster and easier access to the information.

The [google docs](#) is in a for of an FAQ-like document and it will be constantly updated and notified whenever there is change. The table of contents will give you guidance on what information is located within the document.

With this, we would like to inform you that this circular, Circular#22, will be the last Jamboree Circular.

The google doc will start with shower facilities and address for parcel. More information will be added later on.

III. Email Communication

The Jamboree Organizing Committee has been communicating with all of you mostly through the general email 25wsj@scout.or.kr. As we are nearing the Jamboree, we are now focusing all our efforts for the preparation and improvement on-site. Therefore, we would like to inform all of you that the 25wsj@scout.or.kr email will only reply to your general inquiries until 20 July. We will do our best to support you by forwarding and answering your inquiries and concern until this date.

We strongly advise to use the HoC Slack channel after 20 July for faster and easier communication.

Thank you for your understanding and consideration. We are all excited to see you at the Jamboree!
