Dear Heads of Contingent,

Greetings from SaeManGeum, Korea!

We are glad to announce the launch of our online Registration System. Thank you for waiting for so long. Now you can put in details of your individual contingents and we will prepare necessary measures with those information.

Registration System for the 25th World Scout Jamboree is now online and available for everyone. Participants can make their own account according to the role they will join the Jamboree.

There will also be 1 Contingent Administrative account for each NSO to manage their contingents' detailed information. This account can be achieved by submitting 'Contingent Admin Account Registration Form'. The form should be signed by the right person to be recognized as an official document.

The form should be sent to reg_platform@scout.or.kr before 31st of October 2022. Once received, we will send a private ID and Password for the representing CMT.

Keep in mind that registering Operation-K participant in the system should also be done by 31st of October in order for them to be valid. You would also have to consider the time the account ID and password being issued, since it may take more than a day, once the request has been made.
