Updated IST Job Selection System

Dear Heads of Contingent,

Greetings from SaeManGeum, Korea!

With reference to the previous Jamboree meetings, we are pleased to attach the updated [IST Job Catalog](#) and [Job Mapping](#) for your information.

The [IST registration system manual](#) is also included for reference. The system will be available for IST job selection from 27 March to 23 April 2023. Please forward this information and documents to your respective International Service Teams.

Please be reminded also that Contingents who prefer the "bulk upload" should send the attached [excel file](#) to reg_platform@scout.or.kr by 23 April 2023.

Due to the reorganization of the Jamboree Management Team structure, the documents have been delayed and we apologize for any inconvenience caused.

Thank you for your understanding.

Yours in Scouting,
